

**DIGH 402:**

March 11 - Design Brief  
 March 18 - One-pager (incl. wireframe??)  
 April 22 - Showcase  
 April 29 - Final Projects Due

**HCI:**

April 24 - Final Project Presentations  
 May 3 - Reflection Papers and Final Project Due

WEEK	DUE	IN-CLASS	BY NEXT CLASS
9 (Mar 11)	Design Brief	~this~	<ul style="list-style-type: none"> <li>- Send survey</li> <li>- One-pager (refine)</li> <li>- Make wireframe</li> <li>- "What design decisions will you need to make?"</li> </ul>
10 (Mar 18)	One-pager + rough wireframe	Establish GitHub infrastructure (incl. transfer dev log)	<ul style="list-style-type: none"> <li>- <a href="#">Read this</a></li> <li>- Python baby</li> <li>- Familiarize selves with CPS data</li> </ul>
11 (Mar 25)		Play w/ <a href="#">React Native</a> (tutorial)+ CPS data	<ul style="list-style-type: none"> <li>- Contact CTU for potential dataset [Ericka will have templates by next class]</li> <li>- <a href="#">React Native video</a> (&lt;&lt;) and <a href="#">"Getting Started" tutorial on website</a></li> </ul>
12 (Apr 1)	<b>Apr 3:</b> Keep working with React Native	<ul style="list-style-type: none"> <li>- Review possibilities/goals for React Native</li> <li>- Decide prototype software</li> <li>- Clarify game-plan for deliverables (review final project guidelines for both classes)</li> </ul>	<ul style="list-style-type: none"> <li>--add to wireframes [Wed]</li> <li>--Mission statement and accessibility statement (Ericka)</li> <li>- Usability testing script (Caroline)</li> </ul>
13 (Apr 8)		Work on prototype Start playing with code	<ul style="list-style-type: none"> <li>- Finish prototype</li> <li>- Usability testing</li> <li>- Adapt prototype</li> <li>- Make usability testing spreadsheet</li> </ul>

			look nice :) :)
14 (Apr 15)	<b>Apr 15:</b> Finish prototype Finish code [2 functions]	Reconnect product to original theory; refine public-facing GitHub (incl. survey results) Usability testing?? - Paper for Margaret's class? - Remaining tasks: GitHub, refine prototype, React Native code, prep for presentations	- Prep for presentations  -more usability testing? - Polish GitHub - Prep presentation materials
15 (Apr 22)	<b>Apr 22:</b> DIGH Showcase <b>Apr 24:</b> HCI Presentation	Showcase!	- Final project + paper
16 (Apr 29)	<b>Apr 29:</b> Final DIGH project <b>May 3:</b> Final HCI Project + Paper
